MESSAGE FROM THE PASTOR

Greetings in the Lord!

After a relatively “quiet” summer, we now begin our new academic year. It has been a grace-filled time to get to know many of you. Our younger and more seasoned Newmanites each have many God-given gifts. I pray that each of you will be able to flourish spiritually and intellectually at Newman Centre through the various events we have planned for this upcoming year. Our Faith and Reason Lecture Series covers a broad range of relevant topics to help make this possible. We also have two parish Day Retreats planned for both Advent (Fr. Paul Dobson) and Lent (Fr. Jacques Philippe...you read correctly!). Moreover, we are planning on having an Advent Dinner where we can come together for song and fellowship as was done in the past. There will also be some other surprises!

Following discussions with PAC and the Pastoral team, we have evaluated how to best communicate with the community. We believe it is important to provide relevant and timely information on a weekly basis by alternating between a concise parish-style printed bulletin and the existing email update. The bi-weekly bulletin will provide important announcements and updates for the entire community, but with more of an emphasis on our Sunday audience. The bi-weekly email update (email maria.dasilva@newmantoronto.com to subscribe) is to communicate events more directed to our campus and student audience, while also reaching a wider audience. Most events will also be posted on our bulletin board on the east porch of the house. Finally, for more in depth stories and spiritually enriching pieces related to Newman’s mission, we are planning to bring back “The Torch” on a seasonal basis, a magazine that used to be published by the Newman Club.

Let us keep each other in our daily prayers and work together as brothers and sisters for the sake of Jesus Christ and His Gospel.

In Him, Fr. Peter Turrone
