## MESSAGE FROM THE PASTOR

Greetings in the Lord:

It has been a very long and quiet summer here at Newman. Ironically, we had many people join us for daily Mass. It was wonderful to see men and women wanting to find spiritual rest and peace in the celebration of the Holy Eucharist. While we were able to get a great deal of administrative and planning work completed, we look forward to the upcoming academic year when every room in the house will be filled with students, faculty, and parishioners.

We have numerous prominent speakers who will be giving talks as part of our Faith and Reason Lecture Series throughout this academic year. In our effort to better connect with the business community, on November 9th we have invited Andreas Widmer, former Swiss guard for St. John Paul II and current professor and tech entrepreneur, to share how a faith-inspired approach to business has helped to make him a success. We are also going to screen the documentary entitled "Poverty, Inc." on the evening prior to his Thursday morning talk. This documentary examines the big business of fighting poverty and proposes different and better ways to provide lasting solutions for the people they are meant to empower. Widmer is featured in it and will be part of a panel discussion following the screening.

The chapel restoration is moving forward according to plan. The construction work is scheduled to begin in the late fall. Therefore, the chapel will remain open until further notice. Once the chapel is closed due to construction, we will hold all weekday (including Saturday) liturgies in the Newman house. On the other hand, Sunday liturgies will take place at Regis College.

Please sign up for our bi-weekly email updates and look at the Newman Events Board located on the east porch for frequent updates regarding all the exciting events planned for our community. Let us keep praying for each other and for the success of this important mission that our Lord has entrusted to each one of us.

God bless, Fr Peter

### **Investing in our future Catholic leaders through the Catholic Leadership Formation Bursary Fund**

As you know, students today are graduating with high levels of debt. As such, financial burdens limit their participation in events that would be highly beneficial both academically and spiritually.

As the academic year commences, we are seeking your investment in **the Catholic Leadership Formation Bursary Fund**. This fund subsidizes students attending conference, mission trips and boarding fees. Through your contribution, you will provide students many out-of-class opportunities that strengthen their faith and create fundamental shifts in their values and beliefs as they grow into independent adults.

*For a donation of \$5,000 or more to the Catholic Leadership Formation Bursary Fund, you can choose to contribute a bursary name after yourself or your loved ones.*

**Please contact Samantha Koon at [samantha.koon@newmantoronto.com](mailto:samantha.koon@newmantoronto.com), by phone at 416-979-2468 ext. 243 and make a contribution to this fund.**
