MESSAGE FROM THE PASTOR

Greetings in the Lord!

Despite the unusually warm weather we have been experiencing as of late, we have entered into the wonderful season of autumn. The leaves have begun to slowly change colour and fall from the trees. This is also the time when we celebrate Thanksgiving. There are many reasons for which we ought to give God thanks.

First, the Newman Centre is beginning to fill up after a relatively quiet summer. Second, we celebrate the Feast of Blessed John Henry Newman on Sunday, October 9th. Our patron was a holy man with a brilliant intellect. He insisted upon the fact that theological study had a vital role within the secular university since it contains important truths. Moreover, he worked tirelessly to help influence his students to follow the way of the Gospel. His life has inspired the development of several Newman Centres throughout the world where the intellectual content of our Catholic faith is examined in relation to the other disciplines taught both here and abroad. The workshops on *The Vocation of the Physician* and the other examining the *Future of Catholics in Healthcare* attempt to achieve this ever important task.

Lastly, we give thanks for the new weekly Holy Hour dedicated to praying for the gift of chastity for all men and women so that we may have the interior freedom necessary to know and do the will of God in our lives. You are all warmly encouraged to join us each Thursday from 12:45 -1:45pm to pray for this important fruit of the Holy Spirit. Happy Thanksgiving!

In Him, Fr. Peter Turrone

Please pray the Rosary for peace in our families, communities and world. We would love you to join us to pray the Rosary together in the Newman Chapel: Monday - Friday at 11:45 am; Saturday at 9:00 am; Thursdays at 5:00 pm.
