MESSAGE FROM THE PASTOR

Greetings in the Lord!

It has been two weeks since the academic year began at U of T. Many people, unknown and well known to Newman, have either stopped by on the sidewalk for a snow cone or popcorn during Frosh Week, or, even better, have entered into the chapel to join us in prayer. This is a great time to promote our mission of making Jesus Christ known to everyone.

As you can see from our bulletin, there are several initiatives well on their way that seek to provide each of us with ways to grow in love for God and neighbour that is relevant to the needs of our Catholic missionary community.

For example, we have many parishioners who are involved in the health sciences. The Health Science Advisory Committee will offer an upcoming talk on whether Catholics should enter the health care professions. Moreover, one of our parishioners, Dr. Richard Green, a Governor General Awarding winning poet and writer, will give a workshop on the role of journal writing in the spiritual life following the example of the Catholic saints. And so much more...

One of my theology professors taught us that parish means "*home of the parishioners*" in Greek. It is our prayer that everyone who passes through these doors feels at home at Newman. So much so, that it will inspire many more to get involved in our mission.

October is the Month dedicated to the Blessed Virgin Mary. I entrust the entire Newman community to her Immaculate Heart. May she guide us on this pilgrimage of faith and help us both individually, and as a community, to do the will of our Heavenly Father as did she throughout her earthly life.

In Christ, Fr. Peter
